**Your Vote is Important**

The business of the Meeting affects your shareholding and your vote is important.

**How to Vote**

You may vote by attending the meeting in person, by proxy or authorised representative.

**Voting eligibility**

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 5.00pm (WST) on 29 May 2017.

**Voting in Person**

To vote in person, attend the Annual General Meeting at the time, date and place set out above.

**Voting by Proxy**

To vote by proxy, please complete and sign the Proxy Form enclosed and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;

- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

**Your proxy form is enclosed.**

Sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they apply to this Annual General Meeting. Broadly, the sections mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details are set out below.

***Proxy vote if appointment specifies way to vote***

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

***Transfer of non-chair proxy to chair in certain circumstances***

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
  - the proxy is not recorded as attending the meeting;
  - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

## **EXPLANATORY STATEMENT**

This Explanatory Statement and all attachments are important documents. They should be read carefully.

If you have any questions regarding the matters set out in this Explanatory Statement or the preceding Notice, please contact the Company, your stockbroker or other professional adviser.

### **1. Financial Statement and Reports – Agenda Item**

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2016 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's financial report to Shareholders unless specifically requested to do so. The Company's financial report is available on its website at <http://adxenergy.com.au/>.

### **2. Resolution 1 – Adoption of Remuneration Report**

#### **2.1 General**

The Corporations Act requires that at a listed company's annual general meeting, a resolution to shareholders that the remuneration report be adopted must be put to shareholders. However such a resolution is advisory only and does not bind the Directors of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the meeting.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the December financial report of the company. The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

The Remuneration Report is set out in the Company's Annual Report which:

- outlines the Board's policy for determining the nature and amount of remuneration of Directors, the company secretary and other key management personnel of the Company;
- discusses the relationship between the Board's remuneration policy and the Company's performance;
- details and explains any performance condition applicable to the remuneration of a Director, secretary or other key management personnel;
- details the remuneration (including options, if any) of each Director and other key management personnel of the Company for the period; and
- summarises the terms of any contract under which any Director, the company secretary or other key management personnel is engaged, including the period of notice required to terminate the contract and any termination payments provided for under the contract.

#### **2.2 Voting consequences**

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the previous financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

### **2.3 Previous voting results**

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

### **2.4 Proxy voting restrictions**

A vote must not be cast (in any capacity) on this resolution by or on behalf of a member of the Company's KMP whose remuneration details are included in the Remuneration Report, or a KMP's closely related party. A "closely related party" includes a spouse, dependant and certain other close family members of a KMP, as well as any companies controlled by a KMP.

However, a vote may be cast by a KMP or a KMP's closely related party if they do so as a proxy and:

- the vote is not cast on behalf of a KMP or a KMP's closely related party; and
- the appointment of the proxy is in writing and specifies the way the proxy is to vote on this resolution; or
- the proxy is the Chairman of the meeting and the appointment of the Chairman of the meeting as proxy:
  - does not specify the way the proxy is to vote on this resolution; and
  - expressly authorises the Chairman of the meeting to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of the KMP.

If you appoint the Chairman of the meeting as your proxy, and you do not direct your proxy how to vote on this resolution on the proxy form, you will be expressly authorising the Chairman of the meeting to exercise your proxy on this resolution. The Chairman of the meeting intends to vote undirected proxies in favour of this resolution.

## **3. Resolution 2 – Re-election of Mr Robert Brown as a Director**

Clause 13.4 of the Constitution requires that any Director appointed during the year holds office until the next annual general meeting and then is to retire at the annual general meeting. A Director who retires under clause 13.4 of the Constitution is eligible for re-election.

Mr Robert Brown was appointed as an additional Director of the Company since the last annual general meeting, and accordingly, Robert Brown will retire at the Annual General Meeting and seek re-election.

Mr Brown is Perth based and has 25 years of petroleum industry experience in technical, managerial and leadership positions. He is a Master in Engineering graduate of Leeds University in Chemical Engineering. Rob has worked in the North Sea, South America, India, North America, SE Asia and Australia. He has been responsible for highly successful operations, projects and developments and has proven experience of delivering against challenging capital, schedule and operating metrics with Amoco, Schlumberger, Lasmo, Cairn and Tullow. Rob has recently co-founded a Perth based oil and gas advisory consultancy.

## **4. Resolution 3 – Re-election of Mr Paul Fink as a Director**

Under the Company's existing Constitution, one third of the Directors (or if their number is not a multiple of three, the number nearest one third) must retire from office at each annual general meeting of the Company. Directors who retire in accordance with this requirement are eligible for re-election. The Directors to retire are those (other than the Managing Director) who have been in office for three years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment. For the purposes of Listing Rule 14.4 and rule 13.2 of the existing Constitution, shareholder approval is being sought to re-elect Mr Paul Fink as a Director.

Mr Paul Fink has over 20 years of petroleum exploration and production industry experience in technical and management positions. Mr Fink is a graduate from the Mining University of Leoben, Austria. He started his career as a processing geophysicist and then worked predominantly on international exploration and development projects and assignments in Austria, Libya, Bulgaria, UK, Australia and Pakistan as Exploration and Reservoir Manager for OMV. In 2005 he started his own petroleum consultancy business working on projects in Romania and as Vice President (Exploration) for Focus Energy, leading their highly successful exploration campaign in India.

## 5. Resolution 4 – Re-election of Mr Andrew Childs as a Director

Under the Company's existing Constitution, one third of the Directors (or if their number is not a multiple of three, the number nearest one third) must retire from office at each annual general meeting of the Company. Directors who retire in accordance with this requirement are eligible for re-election. The Directors to retire are those (other than the Managing Director) who have been in office for three years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment. For the purposes of Listing Rule 14.4 and rule 13.2 of the existing Constitution, shareholder approval is being sought to re-elect Mr Paul Fink as a Director.

Mr Childs is Chairman of Sacgasco Limited, Managing Director of Petroleum Ventures Pty Ltd and Non-Executive Director of Riedel Resources Limited. He is also Principal of Recruitment and Managing Director of international Recruitment Services Pty Ltd.

## 6. Resolutions 5 to 8 - Issue of Related Party Options

### 6.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 33,000,000 Options (**Related Party Options**) to Mr Ian Tchacos, Mr Paul Fink, Mr Andrew Childs and Mr Robert Brown (**Related Parties**) under the Company's Employee Incentive Option Plan.

For a public company or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- a. obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- b. give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Related Party Options constitutes giving a financial benefit and Mr Ian Tchacos, Mr Paul Fink, Mr Andrew Childs and Mr Robert Brown are related parties of the Company by virtue of being Directors.

These options are being granted to provide a retention incentive and to motivate and reward the performance of all Directors.

In addition, ASX Listing Rule 10.14 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

Whilst it is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act may apply as the Company believes the issue of the Related Party Options constitute reasonable remuneration, in accordance with section 195 of the Corporations Act, a director of a public company may not vote or be present during meetings of directors when matters in which the director holds a "material personal interest" are being considered. As it is proposed that all the Directors will receive Related Party Options each of the Directors has a material personal interest in the issue of the Related Party Options and therefore the board cannot resolve that a relevant exception applies.

Section 195(4) of the Corporations Act provides that where there are not enough directors to form a quorum for a directors' meeting because of section 195 of the Corporations Act, one or more of the directors (including those who have a material personal interest in the matter) may call a general meeting and the general meeting may pass a resolution to deal with the matter.

Accordingly, in accordance with section 195(4) of the Corporations Act, the Directors have exercised their right to seek

shareholder approval for the grant of Related Party Options to the Related Parties.

## 6.2 Shareholder Approval (Chapter 2E of the Corporations Act and ASX Listing Rule 10.14)

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed grant of Related Party Options:

- (a) the related parties are Mr Ian Tchacos, Mr Paul Fink, Mr Andrew Childs and Mr Robert Brown and they are related parties by virtue of being Directors;
- (b) the maximum number of Related Party Options (being the nature of the financial benefit being provided) to be granted to the Related Parties is:
  - (i) 15,000,000 Related Party Options to Mr Tchacos;
  - (ii) 10,000,000 Related Party Options to Mr Fink;
  - (iii) 4,000,000 Related Party Options to Mr Childs; and
  - (iv) 4,000,000 Related Party Options to Mr Brown.
- (c) the Related Party Options will be granted to the Related Parties no later than 12 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Related Party Options will be issued on one date;
- (d) the Related Party Options will be granted for nil cash consideration, accordingly no funds will be raised;
- (e) No unlisted options have been issued under the Plan. The Plan has been previously adopted by Shareholders on 26 May 2016;
- (f) all Directors are entitled to participate in the Plan;
- (g) no loan has been provided to any of the Related Parties in relation to the issue of the Related Party Options;
- (h) the Related Party Options will be granted under the Company's Employee Incentive Option Plan, the terms and conditions which are set out in Schedule 1, with specific terms of the Related Party Options set out in Schedule 2;
- (i) the value of the Related Party Options and the pricing methodology is set out in Schedule 3;
- (j) the relevant interests of the Related Parties in securities of the Company are set out below:

Related Party	Shares	Options
Mr Ian Tchacos	26,907,122	-
Mr Paul Fink	23,423,451	-
Mr Andrew Childs	18,241,512	-
Mr Robert Brown	591,399	-

- (k) the remuneration and emoluments, including the value of share based payments) from the Company to the Related Parties for the previous financial year and the proposed remuneration and emoluments for the current financial year are set out below:

Related Party	Current Financial Year up to and including 31 December 2017 (\$)	Financial Year up to and including 31 December 2016 (\$)
Mr Ian Tchacos	273,687	320,036
Mr Paul Fink	295,900	270,200
Mr Andrew Childs	40,000	46,667
Mr Robert Brown*	58,000	8,694

\* Mr Rob Brown was appointed on 17 October 2016 and accordingly 2016 remuneration is only for the period from appointment to 31 December 2016.

- (l) if the Related Party Options granted to the Related Parties are exercised, a total of 33,000,000 Shares would be issued. This will increase the number of Shares on issue from 929,017,436 to 962,017,436 (assuming that no other Options are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 3.4%, comprising 1.6% by Mr Tchacos, 1.0% by Mr Fink, 0.4% by Mr Childs and 0.4% by Mr Brown.

The market price for Shares during the term of the Related Party Options would normally determine whether or not the Related Party Options are exercised. If at any time any of the Related Party Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Related Party Options, there may be a perceived cost to the Company.

- (m) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	0.019	30 January 2017
Lowest	0.005	24 October 2016
Last	0.017	12 April 2017

- (n) the Board acknowledges the grant of Related Party Options to Mr Childs and Mr Brown is contrary to Recommendation 8.2 of The Corporate Governance Principles and Recommendations (3<sup>rd</sup> Edition) as published by The ASX Corporate Governance Council. However, the Board considers the grant of the Related Party Options to Mr Childs and Mr Brown reasonable in the circumstances for the reasons set out in paragraph (p);
- (o) the primary purpose of the grant of the Related Party Options to the Related Parties is to recognise the contribution made by ADX's Directors. These options also provide an incentive component in the remuneration package for the Related Parties to provide a retention incentive and to motivate and reward the performance of the Related Parties in their respective roles as Directors;
- (p) Mr Tchacos declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the resolution on the basis that Mr Tchacos is to be granted Related Party Options in the Company should Resolution 5 be passed. However, in respect of Resolutions 6, 7 and 8, Mr Tchacos recommends that Shareholders vote in favour of those resolutions for the following reasons:
- (i) the grant of Related Party Options to the Related Parties will align the interests of the Related Parties with those of Shareholders;
  - (ii) the grant of the Related Party Options is a reasonable and appropriate method to reward Directors without using its cash reserves and provides a better alternative than using cash forms of remuneration to the Related Parties; and
  - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Related Party Options upon the terms proposed;
- (q) Mr Fink declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution on the basis that Mr Fink is to be granted Related Party Options in the Company should Resolution 6 be passed. However, in respect of Resolutions 5, 7 and 8, Mr Fink recommends that Shareholders vote in favour of those resolutions for the reasons set out in paragraph (p);
- (r) Mr Childs declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution on the basis that Mr Childs is to be granted Related Party Options in the Company should Resolution 7 be passed. However, in respect of Resolutions 5, 6 and 8, Mr Childs recommends that Shareholders vote in favour of those resolutions for the reasons set out in paragraph (p) ;
- (s) Mr Brown declines to make a recommendation to Shareholders in relation to Resolution 8 due to his material personal interest in the outcome of the Resolution on the basis that Mr Brown is to be granted Related Party Options in the Company should Resolution 8 be passed. However, in respect of Resolutions 5, 6 and 7, Mr Brown recommends that Shareholders vote in favour of those resolutions for the reasons set out in paragraph (p) ;
- (t) in forming their recommendations, each Director considered the experience of each other Related Party, the current market price of Shares, the current market practices when determining the number of Related Party Options to be granted as well as the exercise price and expiry date of those Related Party Options; and

- (u) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5 to 8.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Options to the Related Parties as approval is being obtained under ASX Listing Rule 10.14. Accordingly, the issue of Related Party Options to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

## **7. Resolution 9 to 12 – Issue of Shares (Salary Sacrifice) to Directors**

### **7.1 General**

In September 2015 all Directors agreed to reduce their salaries / fees in order to maximise the availability of cash for the Company's exploration, appraisal and development expenditure. Mr Tchacos and Mr Childs reduced their directors' fees by 50% (annual reduction equivalent to \$25,000 and \$20,000 respectively) and Mr Fink waived his fees in its entirety (annual reduction of \$30,000 and \$40,000 respectively). Mr Brown has agreed to reduce his directors' fee by 50% and any additional consulting work will also be reduced and partly paid in shares. Mr Tchacos and Mr Fink also both entered into consultancy contracts to be paid partly in shares, subject to Shareholder approval. Further information is set out in the Company's ASX announcement dated 7 October 2015.

The Company has agreed, subject to obtaining Shareholder approval, to allot and issue Shares (**Related Party Shares**) to Mr Tchacos, Mr Fink, Mr Childs and Mr Brown (**Related Parties**) on the terms and conditions set out below. The purpose of the proposed issue of the Related Party Shares is to provide a retention incentive to the Related Parties in light of the salary and fee reductions described above.

For a public company or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Related Party Shares constitutes giving a financial benefit and Mr Tchacos, Mr Fink, Mr Childs and Mr Brown are related parties of the Company by virtue of being Directors.

Whilst the exception set out in section 211 of the Corporations Act may apply as the Company believes the proposed issue of the Related Party Shares constitutes reasonable remuneration, in accordance with section 195 of the Corporations Act, a director of a public company may not vote or be present during meetings of directors when matters in which the director holds a "material personal interest" are being considered. As it is proposed that all the Directors will receive Related Party Shares each of the Directors has a material personal interest in the issue of the Related Party Shares and therefore the board cannot resolve that a relevant exception applies.

Section 195(4) of the Corporations Act provides that where there are not enough directors to form a quorum for a directors' meeting because of section 195 of the Corporations Act, one or more of the directors (including those who have a material personal interest in the matter) may call a general meeting and the general meeting may pass a resolution to deal with the matter.

Accordingly, in accordance with section 195(4) of the Corporations Act, the Directors have exercised their right to seek shareholder approval for the issues of Related Party Shares to the Related Parties.

In addition, ASX Listing Rule 10.14 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

### **7.2 Shareholder Approval (Chapter 2E of the Corporations Act and ASX Listing Rule 10.14)**

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of Related Party Shares:

- (a) the Related Parties are Mr Ian Tchacos, Mr Paul Fink, Mr Andrew Childs and Mr Robert Brown and they

are related parties by virtue of being Directors;

- (b) the number of Related Party Shares to be issued to each Related Party will be determined by dividing the Directors' fees that the Company has agreed to pay the Related Parties by the deemed issue price of the Related Party Shares calculated in accordance with paragraph (d) below, provided that the maximum number of Related Party Shares to be issued to the Related Parties pursuant to Resolutions 9 to 12 shall be as follows:

<b>Related Party</b>	<b>Maximum Number of Shares*</b>
Ian Tchacos	12,000,000
Paul Fink	6,166,667
Andrew Childs	1,333,333
Robert Brown	2,133,333
<b>Total</b>	<b>21,633,333</b>

\* The maximum number of shares has been determined based on the directors' reduction of remuneration from 1 January 2017 to 31 December 2017. As noted in (d) and (j) below, the Related Party Shares will be issued on a quarterly basis according to the Directors' fees owing to each of the Related Parties at that time at an issue price of no less than the volume weighted average sale price of Shares sold on ASX during the 90 days prior to the expiration of the corresponding calendar quarter in which the Directors' fees were incurred.

- (c) the value of the maximum number of Related Party Shares that could potentially be issued to the Related Parties pursuant to Resolutions 9 to 12 (being the nature of the financial benefit being provided) is set out below. The basis of the valuation is the last trading price of Shares on 10 April 2017 of \$0.015:

<b>Related Party</b>	<b>Value of Related Party Shares based on closing price on 10 April 2017</b>
Ian Tchacos	\$180,000
Paul Fink	\$92,500
Andrew Childs	\$20,000
Robert Brown	\$32,000

- (d) the Related Party Shares will be issued for nil cash consideration as they will be issued in satisfaction of Directors' fees agreed to be paid by the Company to the Participating Directors at quarterly intervals. The Director Shares will be deemed to have an issue price of no less than the volume weighted average sale price of Shares sold on ASX during the 90 days prior to the expiration of the corresponding calendar quarter in which the Directors' fees were incurred;
- (e) a voting exclusion statement is included in the Notice in connection with Resolutions 9 to 12;
- (f) the Related Party Shares will be issued under the Company's Directors' Share Plan, the terms and conditions which are set out in Schedule 4;
- (g) 30,863,989 Shares have previously been issued under the Directors' Share Plan as salary sacrifice for remuneration for the period 1 September 2015 to 31 December 2016. The Directors' Share Plan has been previously approved by Shareholders on 26 May 2016;
- (h) the Related Party Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (i) all current Directors of the Company are eligible to participate in the Directors' Share Plan. This includes Mr Tchacos, Mr Fink, Mr Childs and Mr Brown;
- (j) no loan has been provided to any of the Related Parties in relation to the issue of the Related Party Shares;
- (k) the Related Party Shares will be issued no later than 12 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and will be issued on a quarterly basis according to the Directors' fees owing to each of the Related Parties at that time.

- (l) the relevant interests of the Related Parties in securities of the Company are set out below:

Related Party	Shares	Options
Ian Tchacos	26,907,122	-
Paul Fink	23,423,451	-
Andrew Childs	18,241,512	-
Rob Brown	591,399	-

- (m) the remuneration and emoluments, including the value of share based payments from the Company to the Related Parties for the previous financial year and the proposed remuneration and emoluments for the current financial year are set out below:

Related Party	Current Financial Year (31 December 2017)* (\$)	Previous Financial Year (31 December 2016) (\$)
Ian Tchacos	273,687	320,036
Paul Fink	295,900	270,200
Andrew Childs	40,000	46,667
Rob Brown**	58,000	8,694

\* Includes the estimated value of Related Party Shares to be issued for the period 1 January 2017 to 31 December 2017, assuming Shareholder approval, but excludes the value of any Related Party Options that may be granted subject to Shareholder approval as per Resolutions 5 to 8.

\*\* Mr Rob Brown was appointed on 17 October 2016 and accordingly 2016 remuneration is only for the period from appointment to 31 December 2016.

- (n) if the maximum permitted number of Related Party Shares are issued to the Related Parties, a total of 21,633,333 new Shares would be issued. This will increase the number of Shares on issue from 929,017,436 to 950,650,769 (assuming that no Options are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 2.2%, comprising 36.4% of the 2.2% dilution by Ian Tchacos, 18.7% of the 2.2% dilution by Paul Fink, 4% of the 2.2% dilution by Andrew Childs and 6.5% of the 2.2% dilution by Rob Brown.
- (o) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	0.019	30 January 2017
Lowest	0.005	24 October 2016
Last	0.017	12 April 2017

- (p) Mr Tchacos declines to make a recommendation to Shareholders in relation to Resolution 9 due to his material personal interest in the outcome of the Resolution on the basis that Mr Tchacos is to be issued Related Party Shares in the Company should Resolution 9 be passed. However, in respect of Resolutions 10 to 12, Mr Tchacos recommends that Shareholders vote in favour of those Resolutions for the following reasons:
- (i) the issue of the Related Party Shares is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
- (ii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Related Party Shares upon the terms proposed;
- (q) Mr Fink declines to make a recommendation to Shareholders in relation to Resolution 10 due to his material personal interest in the outcome of the Resolution on the basis that Mr Fink is to be issued

Related Party Shares in the Company should Resolution 10 be passed. However, in respect of Resolutions 9 and Resolutions 11 to 12, Mr Fink recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (p);

- (r) Mr Childs declines to make a recommendation to Shareholders in relation to Resolution 11 due to his material personal interest in the outcome of the Resolution on the basis that Mr Childs is to be issued Related Party Shares in the Company should Resolution 11 be passed. However, in respect of Resolutions 9, 10 and 12, Mr Childs recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (p);
- (s) Mr Brown declines to make a recommendation to Shareholders in relation to Resolution 12 due to his material personal interest in the outcome of the Resolution on the basis that Mr Brown is to be issued Related Party Shares in the Company should Resolution 12 be passed. However, in respect of Resolutions 9 to 11, Mr Brown recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (p);
- (t) in forming their recommendations, each Director considered the experience of each other Related Party, the current market price of Shares and the current market practices when determining the number of Related Party Shares to be issued; and
- (u) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 9 to 12.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Shares to the Related Parties as approval is being obtained under ASX Listing Rule 10.14. Accordingly, the issue of Related Party Shares to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

## **8. Resolution 13 – Approval of 10% Placement Capacity – Shares**

### **8.1 Introduction**

The Company is seeking shareholder approval to issue an additional 10% of issued capital over a 12 month period pursuant to ASX Listing Rule 7.1A. ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

The Company is an Eligible Entity, see section 8.2 below for further details.

If Shareholders approve this Resolution, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 8.2 below).

The effect of Resolution 13 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under ASX Listing Rule 7.1.

ASX Listing Rule 7.1A requires this Resolution 13 to be passed as a special resolution, which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the Resolution. Pursuant to ASX Listing Rule 7.1A, no Equity Securities will be issued until and unless this special resolution is passed at the Meeting.

The Directors of the Company unanimously recommend that Shareholders vote in favour of Resolution 13.

### **8.2 ASX Listing Rule 7.1A**

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (1) is not included in the S&P/ASX 300 Index; and
- (2) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately \$4.595 million.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of Equity Securities on issue, being the Shares (ASX Code: ADX).

ASX Listing Rule 7.1A.2 provides that an Eligible Entity which has obtained shareholder approval at an annual general meeting may issue or agree to issue during the 12 month period after which the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

**(A x D) - E**

Where:

**A** is the number of ordinary securities on issue 12 months before the date of issue or agreement:

- (1) plus the number of fully paid ordinary securities issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (2) plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- (3) plus the number of fully paid ordinary securities issued in the previous 12 months with approval of holders of ordinary securities under ASX Listing Rules 7.1 and 7.4. [Note: this does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without Shareholder approval]; and
- (4) less the number of fully paid ordinary securities cancelled in the previous 12 months.

**D** is 10 percent (10%).

**E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

### **8.3 Technical Information required by ASX listing Rule 7.1A.**

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 13:

**(a) Minimum Issue Price**

The minimum issue price for the Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the volume weighted average price of Equity Securities in that class calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (1) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (2) If the Equity Securities are not issued within 5 ASX trading days of the date in Section 8.3(a)(1) above, the date on which the Equity Securities are issued.

**(b) Date of Issue**

Assuming Resolution 13 is passed, the Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (1) 12 months after the date of this Meeting; and
- (2) the date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under ASX Listing Rule 7.1A ceases to be valid),

**(10% Placement Capacity Period).**

If approval is given for the issue of the Equity Securities then the approval will expire on 31 May 2018, unless Shareholder approval is granted pursuant to ASX Listing Rules 11.1.2 or 11.2 prior to that date.

**(c) Risk of economic and voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will have a dilutive effect on the interests of existing Shareholders who do not receive any Shares under the issue.

If Resolution 13 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Issued Share Capital (# of Shares)	50% decrease in current Market Price \$ 0.008		Current Market Price \$ 0.016		100% increase in current Market Price \$ 0.032	
	10% Voting Dilution	Capital Raised \$	10% Voting Dilution	Capital Raised \$	10% Voting Dilution	Capital Raised \$
Present Share Capital 929,017,436	92,901,744	743,214	92,901,744	1,486,428	92,901,744	2,972,856
50% Increase in Share Capital 1,393,526,154	139,352,615	1,114,821	139,352,615	2,229,642	139,352,615	4,459,284
100% Increase in share capital 1,858,034,872	185,803,487	1,486,428	185,803,487	2,972,856	185,803,487	5,945,712

\*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

**Assumptions and explanations**

- The current shares on issue are the Shares on issue as at the date of this Notice of Meeting.
- The issue price set out above is the closing price of the Shares on the ASX on 7 April 2017.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1. The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a specific risk that:

- (1) the market price for the Company's Shares may be significantly lower on the date of the issue than it is on the date of the Meeting; and

- (2) the Shares may be issued at a price that is at a discount to the market price for those Shares on the issue date.

**(d) Purpose of issue of 10% Placement Capacity**

The Company may issue Equity Securities:

- (1) to raise cash consideration, in which case the funds raised from the issue of Equity Securities, if undertaken, would be applied towards funding expenditure associated with the exploration and development of oil and gas permits, acquisitions of new assets or investments and/or general working capital; or
- (2) as non-cash consideration, such as for the acquisition of new assets or investments. If the Company issues Equity Securities for non-cash consideration, the Company will release to the market a valuation of the non-cash consideration that demonstrates that the issue price of the Equity Securities complies with ASX Listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

**(e) Allocation under the 10% Placement Capacity**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue of the Equity Securities. The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to a number of factors including but not limited to the following:

- (1) the purpose of the issue;
- (2) the alternative methods for raising funds available to the Company at that time, including but not limited to, rights issue or other offer where existing Shareholders may participate;
- (3) the effect of the issue of the Equity Securities on the control of the Company;
- (4) the circumstances of the Company, including but not limited to, the financial situation and solvency of the Company;
- (5) prevailing market conditions; and
- (6) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new assets or investments for which placement securities are issued as consideration, it is possible that the allottees of some of the placement securities will be the vendors of the new assets or investments.

**(f) Previous approval under ASX Listing Rule 7.1A.**

The Company has previously obtained Shareholder approval under ASX Listing Rule 7.1A at its Annual General Meeting held on 26 May 2016 (**Previous Approval**).

The Company has issued 2,302,342 shares pursuant to its Previous Approval. The Shares issued under the Previous Approval were however, ratified by shareholders at a general meeting held on 22 December 2016.

During the 12 month period preceding the date of the Meeting, being on and from 30 May 2016, the Company issued a total of 158,253,163 Shares and 57,312,121 options which represents approximately 27.79% of the total diluted number of Equity Securities on issue in the Company on 30 May 2016, which was 775,764,273 (770,764,273 Shares and 5,000,000 unlisted options).
